

Privacy Policy for Guess The Flag!  
Last updated: 2024.10.21

Source Byte Sp. z o.o. ("we," "us," "our") respects your privacy and is committed to protecting the personal data of our players. This Privacy Policy explains how we handle information when you use our game Guess The Flag! ("the game").

### 1. Data Collection

We do not collect or store personal data about you on our servers.

However, Guess The Flag! uses Epic Online Services (EOS), provided by Epic Games, Inc., which may collect certain data for statistics and analytics purposes. This data can include gameplay statistics, game performance, and user engagement metrics. You can view Epic Games' privacy practices through their Privacy Policy.

### 2. Data Usage

We may use anonymized, aggregated data provided by EOS solely for improving gameplay experience, analyzing game performance, and understanding user engagement trends. This data does not contain any personally identifiable information (PII).

### 3. Your Rights under GDPR

If you are a resident of the European Union (EU) or the European Economic Area (EEA), you have certain data protection rights under the General Data Protection Regulation (GDPR). Since we do not collect personal data directly, we do not hold or process any data that would enable us to identify you. However, if you wish to exercise your rights regarding any data collected by Epic Games, we encourage you to refer to their privacy policies and contact them directly.

Your rights under GDPR include:

- The right to access your data
- The right to correct or update your data
- The right to request deletion of your data
- The right to restrict processing of your data
- The right to data portability
- The right to object to the processing of your data

### 4. Third-Party Services

Guess The Flag! integrates Epic Online Services (EOS) for multiplayer, matchmaking, and other features. As stated earlier, any data collected by EOS is governed by Epic Games' privacy policy. We do not control or manage any personal data that may be collected by Epic Games.

### 5. Security of Data

While we do not store personal data, we understand the importance of security. Epic Games, through their EOS platform, takes steps to secure data that may be collected. For details, please review Epic's security measures in their privacy policy.

### 6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Any changes will be posted on this page, with the updated date at the top. Please review this Privacy Policy periodically to stay informed about how we are protecting your data.
